

## Specialist Leader of Education (SLE) pen portrait

**Faye Cranney – Senior Leader, Bishop Martin CE Primary, Liverpool**

### **Specialist areas:**

Mathematics

### **Faye's work experience:**

During her nine-year career, Faye has taught across Key Stage 1 and 2. She has had a significant impact on Mathematics at The Beacon C.E. Primary by introducing and implementing policies and procedures, monitoring, coaching and mentoring and championing the involvement of mathematics throughout the life of the school. Faye was a member of the school's Senior Leadership Team, playing an important role in the school's Outstanding Ofsted inspection (2014)

Faye has recently been seconded to Bishop Martin CE Primary to improve Mathematics across the school. Faye has provided staff training through staff meeting and INSET, most recently focusing on the National Curriculum, Mastery approaches and assessment.

Faye has achieved her NPQSL, having already qualified as a Mathematics Specialist Teacher. She is also a Numbers Counts teacher. Faye has been an integral part of achieving the Gold Liverpool Counts Quality Mark award in both schools.

She has delivered Mathematics presentations and workshops for the North Liverpool Teaching School Partnership, the Horizon network and Local Link Networks. These presentations and workshops have included sharing good practice, moderation of Mathematics and supporting trainees.
